

Press Release From TWD – Design. Build. Remodel.

12News Arizona Midday Goes to Peoria, Featuring Local Home Remodeler TWD

PEORIA, AZ, November 16, 2018

Todd Whittaker, President of TWD – Design. Build. Remodel. finds himself talking remodeling with known Arizona Midday news anchor Destry Jetton on Wednesday, October 17, 2018.

As one of the leading home remodeling companies in the Greater Phoenix market, TWD has been honored to perform tens of thousands of home repairs and remodeling projects for homeowners around the Valley over the last 22 years in business, though this was a first for Todd to be sitting on set at 12News chatting up Destry about her dream bathroom remodel and current market trends.

“Just to be approached with the opportunity to participate in this special segment was surreal for our company”, says Todd. “Looking back to the beginning in 1996, as a guy doing drywall repairs, I never would have imagined the growth and evolution that Todd Whittaker Drywall Inc. would successfully achieve. Everyone asks why we keep the drywall name when we offer so much more, and it’s to always remind us of where we came from.”

The month of October was focused on visiting reputable local businesses based in Peoria to share with the public. Sneak peeks and video clips of the gorgeous TWD Design Showroom aired on 12News during the latter half of October, followed by the live in-studio interview to share more of an in-depth overview of TWD. “When vetting organizations for Everywhere

A to Z,” explains Christine Anewalt, Account Executive for 12News, “I was drawn to TWD’s impressive involvement in the community, specifically with Building Homes for Heroes and support for local teams in Peoria. It was clear from the numerous awards and testimonials that this was an honest, local business that consistently over-delivers for their clients.”

Located conveniently off the 101 Freeway and Grand Avenue, TWD is proud to call Peoria their home town.
