

TODD WHITTAKER DRYWALL, INC.
Named by REMODELING Magazine to its 2019
Big50 Class of America's Top Remodelers

PEORIA, ARIZONA (August 27, 2019) – Todd Whittaker Drywall, Inc. (TWD) has been selected by REMODELING magazine to join the REMODELING Big50. Each year since 1986, the REMODELING Big50 inducts 50 remodeling companies that have set exceptionally high standards for professionalism and integrity through exemplary business practices, craftsmanship, and impact in their community or the industry at large. Big50 remodelers run successful, often growing, companies of various sizes that have taken the lead in raising industry standards.

Since the Big50 program began, REMODELING has selected about 1,600 firms for Big50 status, approximately less than 2% of all remodeling businesses in the country today.

“Back in 1996,” says Todd Whittaker, President of TWD. “When Jamie and I decided to open our own drywall business the industry was much different than it is today. We have been blessed to have loyal customers, and an experienced and dedicated staff to grow the business into a full-service remodeling company. To this day, we keep the mindset of providing the best service and quality in every job, whether it be a small drywall repair or a full home renovation.”

REMODELING editors, columnists, industry leaders, and the companies themselves make the nominations each year. Following a lengthy evaluation and interview process, the editors select the 50 individuals who exemplify the best of the industry that year, and who have something to offer other remodelers in proven practices.

This year's Big50 includes full-service remodelers, home improvement firms, and specialists in specific parts of the homes, such as kitchens and bathrooms. Some have a history going back decades, while others are just a few years old. “There's no single strategy here and no lack of competitors for their services,” REMODELING's introduction to the list declares. “What Big50 firms share is a culture that celebrates employees and customer service above all.”

The Big50 awards will be presented at a dinner at the Remodelers Summit and Awards Gala on Wednesday, September 24, 2018, in Orlando, Fla. The 2019 Big50 winners are featured in the July-August issue of REMODELING, a national trade publication read by more than 150,000 professional remodeling contractors. Longer profiles of the winners are posted on the REMODELING website, remodelingmag.com.
